

## MEMORANDUM

Date: July 8, 2013

To: Scott Whyte, Senior Landscape Planner

From: Craig Pittman, P.E. – Senior Civil Engineer

Subject: SP-0058-2013, Busch Gardens Trapper Restrooms SP Amend (Construction Plans)

James City Service Authority has reviewed these plans for general compliance with the JCSA Standards and Specifications, Water Distribution and Sanitary Sewer Systems and has the following comments for the above project you forwarded. Quality control and back checking of the plans and calculations for discrepancies, errors, omissions, and conflicts is the sole responsibility of the professional engineer and/or surveyor who has signed, sealed, and dated the plans and calculations. It is the responsibility of the engineer or surveyor to ensure the plans and calculations comply with all governing regulations, standards, and specifications. Before the JCSA can approve these plans for general compliance with the JCSA Standards and Specifications, the following comments must be addressed. We may have additional comments when a revised plan incorporating these comments is submitted.

### General Comments:

1. The Design Engineer shall provide a response letter indicating actions taken and/or additional changes made with resubmittal of this project.
2. Water and sanitary sewer inspection fees are not required for this project.
3. Prior to approval by JCSA will need to be submitted and approved by NNWW.
4. Add a note clarifying the general changes planned will there be a increase or decrease in water fixtures and approximately how many.

Please call me at 259-5451 if you have any questions or require any additional information
